*If you answer **Yes** to this question, you will not be asked to report off-campus room and board in the price of attendance (D11).*

This is only a screening question, and your response does not show up on College Navigator.

*If you make any exceptions to this rule, and have even one first-time, full-time student living off-campus, please answer **No** so that this does not cause conflicts with the Student Financial Aid survey. Making changes to the SFA component is very difficult and may lead to inaccurate reporting for your institution.*
