# Final Submission

When finished, you will upload your final project as a revision to your proposal.

Final Submission

1. Upon approval of your proposal, you will receive the following email with a link to revise your submission. **This is where you will modify your original correct and reject the final submission.**

3. Please scan the [completed signature page](#) for your research project and submit it along with the submission of your final report to IdeaExchange@UAkron. Note that you do not need to have the approval from the Dean of the Williams Honors College before submitting your signature page. The signature page should be uploaded as an *additional file* to your submission. **Ensure that you are using the correct form for submitting the final project by checking if there is an box for Reason of Update at the end of the form**
